

# Cypress Ranch Computer Science Club

## Constitution

### 2021-2022

**Club Sponsors:** John Cargill Room 1562 john.cargill@cfisd.net  
Bryce Hulett Room 1560 bryce.hulett@cfisd.net

#### **Article I. - Name**

The club is known and recognized as the **Cypress Ranch Computer Science Club**.

#### **Article II. - Derivation of authority**

We understand that we are only here because the school has seen fit that we are responsible enough to function given our own means, and that they expect us to respect the school and school authority, and we will meet their said expectations.

#### **Article III. - Purpose**

Our goal is to foster the use and implementations of programming through interactive events and contests to challenge our members to exceed.

#### **Article IV. - Organization**

This organization is open to all who have an interest in computer science and programming.

#### **Article V. - Membership**

All Students are entitled to become an active member of the organization. All members must have the parent permission form completed and turned in to participate. Members will not be able to attend meetings or events without the permission form being completed, dues paid, constitution signed off and returned. Members are required to attend 50% of the regularly scheduled club meetings.

**Any conduct infraction resulting in an unsatisfactory for any nine-week grading period will result in disqualification for any contest(s) that occur during that grading period.**

- **Attendance:**

- Being present for entirety of the meeting counts for one attendance.
- Unexcused absence is defined as missing meeting with out informing club sponsor(s)
- Informing club sponsor(s) in advance of absence constitutes an excused absence.  
[No more than 5 in total unless special circumstance]
- Attending special sessions can cancel any absence.
- Members need to manage other club activities around our Tuesday/Wednesday afternoon meetings. (i.e. Band, Key Club, etc.). Additional meetings, or impromptu meetings may be scheduled as needed by the club officers.

#### **Article VI. - Executives**

Executives will be voted into office by the club membership. Any changes will also be voted on by the club membership for the following positions;

**President** - \_\_\_\_\_  
**Vice President** - \_\_\_\_\_  
**Secretary** - \_\_\_\_\_

## **Article VII. Duties of the Executives**

**Qualifications** - The club must view them as an excellent representative.

They are chosen to represent the club on all matters dealing with anything from praise to reprimand

**Duties:** Attend all meetings unless otherwise detained to conduct the business of the club.

## **Article VIII. Meetings**

Meetings will be held every Tuesday and Wednesday unless advised otherwise. There will be an announcement to inform students of the special computer science club events, e.g. an upcoming contest.

## **Article IX. Dismissal**

If it is seen fit that said person is not obeying the rules set or rules given them, said person will be asked to leave the meeting if it continues, they will be banned from all Computer Science Club activities. Officers will be dealt with accordingly by the club sponsors.

## **Article X. Dues**

The club attends several contests every year. Dues of \$20 each year from each member will be required from every member in good standing. The dues include the cost of a club t-shirt, which the members are encouraged to wear to each competition. If dues are not paid, student will not participate in any contest(s) or meetings and will not be allowed to hold a club executive position.

**Competition Teams:** Any club member of a team that qualifies at a Regional competition is NOT guaranteed a spot on the TEAM that will represent Cypress Ranch High School at the state level. The teams qualify a slot for a team, NOT members of a team. Members of a team will be selected by the sponsors to participate at all competitions, including the state competition.
